

Introducing the Complete Hamaton Commercial TPMS Valve, Sensor and Commercial TPMS Tool Kit

Comprehensive Coverage

Includes the most widely used Hamaton Alcoa and Truck TPMS valves and both band-mounted and valve-mounted sensors.

Fleet-Ready Durability

Every component is engineered to handle the extreme environments of commercial trucking.

Service Efficiency

Equip your technicians with the exact parts needed to perform TPMS service quickly and correctly the first time.

Reduced Downtime

Fast replacements and universal fitments keeps vehicles on the road and maintenance headaches at a minimum.

Hamaton VT Truck Diagnostic & Programming Tool

The VT Truck is rugged, intuitive, and fleet-ready diagnostic tool engineered specifically for commercial truck and bus applications. Designed for technicians, fleet managers, and tire service professionals, it simplifies every part of the TPMS process - from activation to programming to on-vehicle diagnostics.

Part#	Description	Qty
6-430	Hamaton Alcoa TPMS Valve 70MS-7	4
6-431	Hamaton Alcoa TPMS Valve 45MS	4
6-432	Hamaton Truck TPMS Valve 22 Degree Angle	4
6-433	Hamaton Alcoa TPMS Valve V3-22-1	4
6-434	Hamaton Alcoa TPMS Valve V3-20-7	4
6-460	Hamaton Truck TPMS Valve 22 Degree Angle	4
6-461	Hamaton Truck TPMS Valve 27 Degree Angle	4
6-462	Hamaton Truck TPMS Valve	4
6-463	Hamaton Truck TPMS 7 Degree Angle	4
6-464	Hamaton Truck TPMS 45 Degree Angle	4
6-465	Hamaton Truck TPMS Valve	4
HTS-T01B	Hamaton Commercial Truck 1.0 Band Mounted Sensor	2
HTS-T01A	Hamaton Commercial Truck 1.0 Valve Mounted Sensor	2
VT TRUCK	Hamaton Commercial TPMS Tool	1
